

BLUE NIGHT COUNTRY CORA MONTBELIARD

Lonely drum	ELT/Tush push
Messed up in memphis	Clear isabel
Dig your heels	Cowgirls
Doctor doctor	Desirable
Rectoverso/modern rom	Day of dead
White whisky	Diane
Women amen	Ghost town
George strait	Tag on
The south	Nothing but you
Bring on the good times	Last dance for me
Gipsy queen	John Henry
3 days road	Crazy Song
Mexican wind/texas vals	Pick her up
Texas Time	Good on you
Golden ring	Wintergreen
Happy happy	Til you cant
Gone West	Rhyme and reason
Corn dont grow	Bring down the house
Damn	Fais dodo
