

BLUE NIGHT COUNTRY CORA DORNACH

Crazy song	Modern Romance/RectoVerso
My dear Juliet	Corn dont grow
Pick her up	Day of dead
Desirable	3 Days road
Gone west	Get up
Til you can't	Gipsy Queen
The south	Dig your heels
Nothing but you	Lonely Drum
Clear Isabel	Bad day to bee a beer
Reunited	Doctor doctor
Cowgirls	Damn
Thelma et louise	Sweet Caroline
Woman Amen	Open Heart Cowboy
Alaska dream	Rhyme or reason
Dust	The world
Wintergreen	Train Wreck
Nickajack	Footloose
Knock off	Elt/Tush push
Daytona sand	Bring down the house
